### **Curriculum Committee Roles, Responsibilities & Resources**

The College Curriculum Committee is responsible for curricular policy matters and the curriculum review process at the college level. It also helps to stimulate new educational ideas and developments in the college. The Committee is responsible for reviewing the following:

- New undergraduate and graduate courses
- Changes to undergraduate and graduate courses
- Changes to undergraduate admission and program requirements
- New undergraduate majors, minors, and degree programs
- Changes to graduate degree programs\*
- New graduate programs\*

### **Committee Structure:**

- 1 faculty member from each degree-granting unit (9 voting members, 3-year staggered terms)
- 2 undergrads & 2 grad student members (4 voting members, 1-year terms, option to extend)
- The College's Associate Dean for Academic Affairs (non-voting, ex officio)
- The College's Director of Student and Academic Services (non-voting, ex officio)
- Committee meets ~3 times per quarter (typically 2-5 proposals for new courses or for changes to degree requirements).
- Committee members review proposals prior to each meeting.
- Faculty members are responsible for presenting proposals submitted from their units.
- A quorum = a majority of voting members.
- Goal = bring committee to consensus on whether to approve a proposal (outright or pending final revisions) rather than call for a formal vote

### **College Curriculum Resources:**

- College Committee description, schedule, and deadlines
- College of the Environment Teaching Support Team
- Teaching Support Team Canvas page
- College of the Environment Teaching webpages
- **NEW!** Course Proposal Checklist

**NEW** University Curriculum Committee Structure

The course application and general education designation review processes have changed at the university level, with two new committees:

- University Committee on Curriculum Administration (UCCA) Chair: Lynn Dietrich (Education), Associate Chair: Tina Miller (Registrar's Office):
  - o Reviews course applications on rolling basis, but with quarterly priority deadline
- University Committee on General Education (UCGE) Chair: Ann Huppert (Architecture); Associate Chair: Jason Johnson (Undergraduate Academic Affairs); One "board" or sub-committee dedicated to each GE requirement:
  - Arts & Humanities
  - Natural Sciences
  - Social Sciences
  - Reasoning
  - Diversity
  - Writing
- Each group will have 7 voting faculty, 2 from UWB, 2 from UWT, and 3 from UWS (all regular instructors of courses that meet associated requirement).
- UCGE is comprised of all members of the boards plus the Chair and Associate Chair (~62 members).
- Focusing 1<sup>st</sup> on getting Diversity and Writing committees up and running to carry forward policy agendas from last year.

Please suggest excellent candidates for natural sciences, and for reasoning committees ASAP to Julia Parrish.
